Who's job is it?

This is a little story about four people named

Everybody, Somebody, Anybody and Nobody

There was an important job to be done,
and Everybody was sure that Somebody would do it.

Anybody could have done it, but Nobody did it.

Somebody got angry about that
because it was Everybody's job.

Everybody thought that Anybody could do it,
but Nobody realized that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody
when Nobody did what Anybody could have done.
