Racing Pigeon DIGEST

The Thinking Man's Journal of Racing Homers

Yes, the Racing Pigeon Digest is starting its fourth year of publication.

In the pigeon sport, that's unusual. Why? Because most pigeon magazines never last past one year, and fewer still make it to two years.

The Digest has beaten the odds by providing a magazine with articles. Not only articles but articles of value to the pigeon racer. Articles on feeding training, racing and health which will make its readers more competitive racers.

Join the club -- Subscribe to the Digest. Get all 23 issues (twice monthly, except August) in a year, not just the Texas Center issues. Then you won't be on the outside looking in when other discuss the latest issue.
