SUBURBAN COMBINE

Gentlemen:

It gives me great pleasure to announce the success of our first annual show and picnic. The day was great. Plenty of food and drink, and we had 74 entries of birds!

Judges Dennis Rehner and Ken Bellis did an outstanding job. Doc Pupek's birds brought a substantial amount of revenue to the event. It just goes to show you, that with some effort and cooperation events like these can make our sport more rewarding.

Many thanks must go out to all those who participated in this event. First, to our committee who did an outstanding job! To both Dennis and Ken for their fine job of judging. To Doc Pupek and Rich Tornelta for their donation of 2 fine birds for the raffle. To Moyer & Sons for their donation of 3 bags of feed for door prizes. To my wife Sandy, who handled the food portion and whose company, Newport Foods donated all the ice. And last, but most important, to all the members who attended with their families.

Joe DeAndrea won best of show and was quite thrilled, as he should be. GOOD FOR JOE! After all is said and done the committee is proud to announce we have accrued a profit of \$654.40. The committee is requesting that this money be ear-marked for our second annual show and picnic for the year 1998. There are many new and fresh ideas to be employed for next year. This event could grow better each year with all your help and participation. Events like these can bring us not only enjoyment for the whole family, but perhaps again stir interest in the sport of racing pigeons. Thanks to all of you.

Respectfully,

Don Trauger

Chairman of Show and Picnic
